FROM THE PRINCIPAL

Welcome to week three. All students have transitioned smoothly into term 4, and are demonstrating ‘success through diligence’, by being safe, respectful and responsible Peak Crossing State School students. It certainly is a blessing to be surrounded by such well-behaved students. In addition, to work with such dedicated staff and be surrounded by such a wonderful school community is energising.

Just to reinforce as outlined in our last school Newsletter, that ‘Every Day Counts’. It is important that we have students at school every day learning! Thank you to all families who have phoned our school office in the event that their child has been absent due to illness or circumstances beyond their control. Your responsiveness in informing our school and cooperation is appreciated. As also mentioned in our previous Newsletter, children should not be coming to school before 8.30am, as teachers are not rostered on for duty to supervise children before school. Not having teachers on duty before school to supervise students is a Departmental and Teachers Union recommendation. Teachers are busy preparing for lessons and organising resources required for students learning. If your child/ren enters the school at 8.30am, they are to make their way to the undercover area, where two of our Teacher-Aides will supervise them. It is important that students are not running around throughout our school before school commences, but engaging in a more low key activity. If your child/ren require supervision before 8.30am, please feel free to enquire about before school care services.

Staff Professional Development

Last Tuesday afternoon, Teachers were led by our Head of Curriculum – Shaan Eldridge, to review data around students reading. Teachers considered the growth made by each individual student, and how the individual students reading data aligned to meet the school improvement targets around reading. Teachers then worked towards organising new reading goals for students. In a couple of weeks’ time, Teachers will also meet to look at the same process around Mathematics. It is pleasing to see so many students achieving their goals and making great gains in Reading. Any improvement, even if it is only small, and the effort students put in, should always be the primary focus.
Everyone is individually smart in their own unique way, one may just be smart in a variety of different areas, and this should always be acknowledged.

Staff also engaged in First-Aid professional development last Monday. We also had staff join us from other schools in the Fassifern Cluster. Ensuring staff stay updated with First-Aid CPR procedures and First-Aid procedures is paramount to the wellbeing of our students and community.

**School Annual Review**

This Friday, the 21st of October, our School Annual Review commences. Our School Annual Review will be led by the Department of Education and Training, Senior Internal School Reviewer Mr Ian Rathmell, who will be accompanied by Mona Anau (Principal Peer Reviewer), and Peter Francis (External Reviewer). We look forward to welcoming the School Annual Review team to Peak Crossing State School, and engaging in collaborative discussions and feedback across the three days that they spend at our school. The School Annual Review will conclude on Tuesday the 25th of October.

The review team will use the 9 domains in the National School Improvement Tool to look at the school’s operations and practices, to value add to the great things that are already happening at our school. The School Review team will also make some recommendations of strategies for areas of improvement.

The 9 domains in the National School Improvement Tool are:

1. An Explicit Improvement Agenda
2. Analysis and Discussion of Data
3. A culture that promotes learning
4. Targeted use of School Resources
5. An expert teaching team
6. Systematic Curriculum Delivery
7. Differentiated Teaching and Learning
8. Effective Pedagogical Practices
9. School-Community Partnerships

The School Review team will be talking with our Assistant Regional Director – Mr Darren Scott, with myself fulfilling the role of Principal, and with staff, students, the P & C, parents and some community stakeholders. Some parents may see them at the school gate, or around assembly on Friday afternoon, and some parents may receive a phone call. Please accept our thanks in advance for your time in providing feedback about our school.

At the conclusion of the three days, the Review team will discuss and finalise their findings with myself, our Assistant Regional Director, Mr Darren Scott, and they will also brief our staff before leaving. A final report will then be sent to myself, and I will then prepare an action report, on behalf of our school. A new 4 year Strategic Plan will also be written to incorporate action from the School Annual Review Report and the school’s vision and school improvement plan. Outcomes of the School Annual Review will be shared and communicated with the school community.

**Prep Orientation and Transition program**

Ensuring that our future 2017 Prep students and parent/s and carer/s receive sufficient information about our school vision, and foundational early years education information, is vital in welcoming, preparing and transitioning our future students and their families.

In 2016, our school will be conducting the following Orientation and Transition program:

**Friday 28th October:** Assembly visit – Goodstart Early Learning Centre – 9am

**Monday 31st October:** Prep Information afternoon for 2017 PREP parent/s/carer/s and students ~ 3:30-4:30pm

**Wednesday 2nd November:** Orientation morning for 2017 PREP students, parent/s/carer/s ~ 9:00-10:00am

**Wednesday 9th November:** 9:00 – 11am

**Wednesday 16th November:** 9:00am-11pm

**Wednesday 23rd November:** 9:00am-11pm

**Wednesday 30th of November:** 9:00-1:00pm, including lunch from 12:30pm

Parent/s and carer/s need to accompany their children to these sessions. Parent/s and carer/s who have children who attend Goodstart Early Learning Centre, can contact Karen Yarrow regarding supervision.

Regardless of whether you are able to take part in our PREP transition program (which I would highly recommend), we are now taking PREP enrolments for 2017. If you have a child who will be ready to commence Prep (turning 5 by the 30th of June, 2017), or you know someone else that does, and they would love to attend our great little school, please encourage them to contact the Office as soon as possible to collect an enrolment package.
If you have a child who will turn 5 on or before the 31st of July, 2017, and you consider that they may be a contender for early entry to Prep, due to your child having the social, emotional, physical and cognitive attributes required by legislation for early entry to Prep, please contact the Principal for to make an appointment to discuss your child’s eligibility and to receive an application form.

Classes for 2017
Across this term indicative predicted enrolment numbers of students attending Peak Crossing State School for 2017, will be sent to our Human Resources sector within the department. Teachers are allocated to schools based on the number of students attending. On day eight in 2017, schools state-wide submit their final numbers for confirmation of allocations. If you know that your child will be leaving our school, or perhaps your child may be enrolling, could you please inform us at the earliest convenience.

If your child/ren will be attending Peak Crossing in 2017 and your child has any health or medical concerns that you think we need to be aware of when considering the placement of your child in classes in 2017, then I extend an invitation to you to please submit in writing to the Principal, this important information, by no later than, Friday the 4th of November. Information provided, may include physical, emotional, social, or cultural needs and important information. Of course, we also know your student’s needs, but from time to time circumstances and information can change, and we encourage you to inform us of anything that may be detrimental to the placement of your child in classes in 2017.

Please note: Of course, as you would realise, this invitation is not a pick your teacher or pick your friends invitation. Every effort will be made to take this information into consideration when placing students in classes for 2017. Teachers will also provide key information and current and future class teachers will also collaborate to look at the placement of students in classes, in order to make the best decisions for students and their learning. During the final week of school, students will have a thirty minute session to meet their future class teacher for 2017.

2017 Student Leaders
Our school has also reviewed our student leader nomination process. The following process will be administered this year:

1. Students attend a Leadership information session conducted by the Principal, where Leadership Nomination Forms will be distributed – Week 4.
2. Students will submit their Nomination form by the end of Week 5. Leadership application form will then be handed out
3. Week 6 – shortlisting will occur based on criteria (Key staff – classroom, specialist, and support will collaborate to consider shortlisted nominees).
4. Week 7 – Speech on Assembly. Students and staff will vote.
5. Week 8 – Shortlisted students will have an Interview with Administration and selected staff members.
6. Week 9 – Successful applicants (School Leaders and Sports House Captains) will be announced at the whole school Awards ceremony.

Assembly, State Education Week, World Teachers Day and Day for Daniel Events
Next Friday the 28th of November we will be holding our Assembly at 9am. The 28th of November has two key events occurring – World Teachers Day, and Day for Daniel.

World Teachers’ Day is an opportunity to acknowledge our teachers and say thanks for the significant contributions they make in our classrooms and communities. Every day, Queensland teachers are making a difference educating and inspiring young people across our state. Celebrated in more than 100 countries world-wide, World Teachers’ Day was established by the United Nations Educational, Scientific and Cultural Organisation (UNESCO) in 1994 to recognise the role of teachers in society. World Teachers’ Day is held internationally on 5 October. As the day usually falls during school holidays, Queensland celebrates on the last Friday of October each year.

In 2016, World Teachers’ Day will be celebrated in Queensland on Friday 28 October, during State Education Week. Please come along to our Assembly next Friday the 28th of October to recognise our wonderful teachers.

Day for Daniel
The Daniel Morcombe Foundation held the first Day for Daniel in November 2005. ‘Wear Red’ and educate is the theme for ‘Day for Daniel’. The ‘Day for Daniel’ is a National Day of Action to raise awareness of child safety, protection and harm prevention. It is about educating children and adults about keeping kids safe through child safety and protection initiatives. On Friday the 28th of October all students will engage in activities around child safety and our senior students will also deliver some key messages on Parade. Please also find attached with this school
newsletter some information for parents and/or carers from the Daniel Morecombe Foundation. Parents and carers are also encouraged to have a conversation with their child/ren. It is important that children are encouraged to **RECOGNISE, REACT, and REPORT** something that does not feel right. Of course, these key educational messages are important not just on ‘Day for Daniel’, but every day. Protecting children and keeping them safe from harm is everyone’s business.

**State Education Week**

In 2016, **State Education Week (SEW)** is held from Sunday 23 October until Saturday 29 October. The annual week-long celebration is an opportunity to recognise the talent and achievements of students and teachers in state schools, and showcase their wonderful work to the wider community. This week we kicked off State Education week early, by engaging students across our school in some hands on mathematics reasoning and problem solving through our World of Maths events. The students thoroughly enjoyed collaborating and being mathematically challenged. Some of our year five and six students will also engage in presenting on assembly next Friday morning, some key messages and information for World Teachers Day and Day for Daniel.

Here are some photos of students engaging in our World of Maths Event. Thanks to Phil and the team from World of Maths for all of their wonderful organisation and involvement with our staff and students!

**Interschool Sport**

This term, some of our year five and six students will be participating in a few rounds of Interschool Sport competition with the Fassifern Cluster Schools. This is an excellent opportunity for students to engage in some fun and fitness while learning valuable sporting skills. Of course the goal is participation and sportsmanship. As our school has not previously engaged in regular interschool weekly sporting events throughout the year, we thought this was an excellent opportunity to take up. As a result, please be aware that this may mean we may need to move our Friday afternoon Assembly timeslot to either a Monday or Friday morning on occasions this term. We will keep you informed if and when this needs to occur. At this stage, our first shift in Parade is scheduled for **Friday the 28th of October at 9am**.
Sun Safety
As the weather is heating up, it is timely to remind students of the importance of keeping sun safe at school and outside of school hours. Could you please encourage the key message of: SLIP (on a sun safe shirt), SLOP (on some sunscreen), SLAP (on a hat), SLIDE (down some water), and SEEK (some shade).

Swimming and Dance
Swimming and Dance continue this term. Swimming continues on a Friday for Prep to year three students, Dance students for Prep to year six students, continues with Amanda from ‘Creative Dance’ on a Thursday.

Assembly
Assembly will be held this Friday 21/10/16 at 2.30pm. Students who entered the International Competitions and Assessment for Schools (ICAS) English competition will receive their certificates. Assembly will be held on Friday morning at 9am on the 28th of October. Thank you in advance for being flexible and responsive to altering our Assembly days for this term, so that we can support our students engaging in the Fassifern Interschool Sports Competition. Please come along to assembly to share in the success of our students.

Visitors
Just a reminder that all visitors, spending time at the school to assist with any school based activity, must sign in and out using the Visitors Book kept at the Office. This is an Education Queensland requirement to ascertain who is on the school premises at all times. Your assistance with this is greatly appreciated.

Feedback
If you ever have any feedback you would like to provide, or any ideas or suggestions for our school, I would love to hear from you. I have an open door policy, so please don’t hesitate to contact me.

Have a fantastic fortnight of learning,

Kind Regards,

Jennifer Fenwick
(Acting Principal Peak Crossing State School)

SCHOOL ANNOUNCEMENTS:

AWARDS:

Congratulations to the following students who received awards on parade:

Classroom Awards:

Success Awards:
The next P & C Meeting will be held on Monday the 21st of November at 7pm.

**Uniform Shop News**

**Opening Hours:**

**TERM 4**

Wednesday 2nd November 3.00-3.30pm  
Wednesday 16th November 3.00-3.30pm  
Wednesday 30th November 3.00-3.30pm  
Wednesday 7th of December 3.00-3.30pm

As I am sure many parents are aware by now of the issue that we have been having in relation to the restocking of our school polo’s with our current supplier. As a result of this we are looking at changing the supplier, and are trying to make this process happen as smooth as possible. What this means for students and parents at the moment is that we are very low on stock (although we are awaiting an order since February 2016). I would ask for everyone to be understanding whilst we undertake this process, we are doing the best that we can to restock as soon as possible.

Year 6 Senior Shirt replacement, unfortunately at the moment there is no word on these at the moment, I can assure you all the supplier is being followed up at the moment on a daily basis.

If you would like to place an order please either drop your completed form to the office with receipt of payment, email myself on trishanddoug@live.com.au or alternatively to the uniform shop when open.

Kind Regards,

Trish Weatherhead

**TUCKSHOP – NEW MENU and NEW PRICES**

The new Tuckshop menu commences this week. Please find attached with our school Newsletter, a new menu for Term 4 and some new prices. Thank you to Belinda Blizzard, our Tuckshop Convener who has put this new menu together.

Thank you to those of you that have helped out in the Tuckshop on a Friday, it is greatly appreciated and wouldn’t open without you.

If you would like to help out in the Tuckshop this term please don’t hesitate to contact me Bel on: 0405 199 453. It really is an easy and enjoyable day.

**Tennis Court Hire**

Please be advised that if you require hiring the Tennis Court during School Holidays can you please ensure that the keys are returned immediately after use. The cost is $4.00 p/h.

**Boonah State High School Enrolment Information - 2017**

Please note that for students who are attending Boonah State High School in 2017, enrolment forms are due this Friday the 28th of October. All paperwork must be back well before the Transition Day on the 1st of December. Could you please ensure your form is returned to Boonah State High School by the due date. Also attached, is a Uniform price list and order form for Boonah State High School uniforms.
PEAK CROSSING STATE SCHOOL

PREP 2017

PARENT INFORMATION SESSION

All Parents/Carers are invited to attend our Parent information session!

PARENTS AND/OR CARERS MUST BE IN ATTENDANCE! FOR THOSE WHO ATTEND GOODSTART EARLY LEARNING CENTRE, PLEASE CONTACT KAREN.
Facts for parents and educators

‘Day for Daniel’ is a National Day of Action to raise awareness about child safety and protection. Parents, carers and guardians are asked to start a conversation about personal safety in the real world and in an online environment.

Wear Red and Educate is the theme of ‘Day for Daniel’ as we strive to have schools, kindergartens, businesses and community groups across Australia take action and conduct child safety activities in their local communities to help in ‘Keeping Kids Safe’.

The objectives of ‘Day for Daniel’ are:
- To raise awareness about child safety and protection and to promote a safer community for children.
- To educate children regarding their personal safety and empower them to RECOGNISE, REACT and REPORT.
- To provide FREE safety and educational material.
- To honour the memory of Daniel Morcombe.

‘Day for Daniel’ is an opportunity for Australians to make a statement that crimes against children are not acceptable in modern Australia. It aims to help empower our children to RECOGNISE, REACT and REPORT if they feel something is not right.

What does RECOGNISE, REACT and REPORT mean?
RECOGNISE encourages students to be aware of their surroundings and to recognise body clues in situations where they don’t feel safe. REACT helps students to consider choices that may keep them safe or help make them safe again as quickly as possible. REPORT encourages students to report unsafe incidents to an adult.

Resources available:
‘Keeping Kids Safe’ Resource Kit
The ‘Keeping Kids Safe’ Resource Kit is a suggested resource to be used on Day for Daniel. It includes DVD’s and Educational Resource Booklets with information and activities suitable for children in prep to year 9. The kit is developed by the Daniel Morcombe Foundation and aligned with the Daniel Morcombe Child Safety Curriculum. It is based around three key messages: RECOGNISE, REACT and REPORT.

Developmental appropriate scenarios are also used to explore and discuss safety situations that children and young people may encounter.

New for this year is the additional DVD and booklet which is specifically targeting children and young people with mild to moderate special needs. There is also a new version scripted for children and young people with Aboriginal or Torres Strait Islander heritage.

‘Daniel Morcombe Child Safety Curriculum’
The ‘Daniel Morcombe Child Safety Curriculum’ is only available to teachers in Australia and not available for public use. More information is available on RecogniseReactReport.com.au

How do I get the ‘Keeping Kids Safe’ Resource Kit?
The full resource kit is available on our website under the tab ‘Educational Resources’. There are videos, information, activities, links to games and information about the ‘Daniel Morcombe Child Safety Curriculum’. You can also order the kit free of charge on our website.

How can I help?
