FROM THE PRINCIPAL

Welcome to week nine. It seems hard to believe that this is our last school newsletter for not just this term, but for the school year. Although we officially have less than two weeks to go, it is important that students attend school every day, as ‘Every Day Counts’.

I would like to take this opportunity to thank all of our Peak Crossing State School staff, students, parents and carers, our P & C, Regional office staff, our Assistant Regional Director Darren Scott, our Fassifern cluster school Principals, and all of the Peak Crossing State School community members, who have engaged with and supported our school throughout 2016. From the staff at Peak Kidz, through to our Crossing Supervisors, and various community organisations, thank you so much to all of you for your wonderful contributions and support. No matter how big or small the contribution, everybody has played a part in working together to produce the best outcomes for our school and ultimately our students. I feel extremely grateful to have had the opportunity to work with such a great group of people, and without the help and support of everyone involved, Peak Crossing State School would not be the fantastic school that it is. The importance of building and maintaining positive relationships and a strong sense of community is paramount to building success. Thank you!

2017 Staffing and Enrolments

It is with great pleasure that I can inform you that I have been asked to continue on at Peak Crossing State School as Acting Principal for term one in 2017. I look forward to working collaboratively to continue to drive our school forward in 2017.

The second staffing announcement that I would like to make is to let you know that Mrs Shaan Eldridge will be leaving our school. Shaan has been successful in obtaining an Acting Principal position at Maroon state School to commence term 1 in 2017. Shaan is not only a lovely person, but an outstanding leader and she has been a wonderful asset at Peak Crossing State School. I know how fortunate Maroon State School and their community are to have Shaan lead their school in 2017. On behalf of everyone at Peak Crossing State School, I would like to thank Shaan for all her contributions at our school, and wish her every success at Maroon State School in 2017. I would also like to thank Mrs Kimberly Lam for all of her hard work and efforts and wish her all of the very best with her baby. Kimberly will take 12months Maternity leave next year. Mrs Elizabeth King who is also another one of our fantastic Peak teachers, will be taking 6 weeks leave in term 1 2017. Liz will venture overseas to be with family. We look forward to seeing Liz return in Week 7, term 1, 2017. Best wishes also to Greg Holdorf who will be based at Kalbar State School in 2017. Greg will still be engaging with our school around our upper two bands extension programs. We wish Greg well and look forward to continuing to collaborate with Greg in 2017.

I can tentatively tell you, that at this stage we will have 10 classes in 2017. Based on student numbers and configurations, there will be multi-age classes in 2017. Of course, even if a class is a straight year level class, there are always different ability levels of students, as every student is unique and develops at a different rate. Regardless of whether your child is placed in a straight, or multiage class, our school staff work hard to support all students in accordance with their needs.
The number of teachers allocated to a school is based on student enrolments. Day eight across the state is the crucial day for inputting numbers. It is a departmental requirement that all Principals’ in every school in Queensland enter how many student enrolments they have in their school on that day. The number of enrolments recorded then ascertains, whether a new teacher is appointed at our school, or a current teacher is appointed somewhere else, or whether or not any class restructuring is required. Therefore, in order to prepare our school the best we can for 2017, if you know that you will be moving on in 2017, or you know of anybody who is in our catchment and is wishing to enrol at our school, if contact could be made with our school office as soon as possible, it would be much appreciated. This will enable us to forward plan the best we can.

These are the current proposed 2017 classes: (subject to change depending on student enrolments in 2017)

1. Prep
2. P/1
3. 1
4. 2
5. 2/3
6. 3
7. 4
8. 4/5

Classes are currently being sorted to account for the best possible student outcomes, with many factors being taken into consideration when placing students in classes. In week ten, students will be told who their 2017 teacher is and will do a short meet and greet. Although we are trying to forward plan and prepare students the best we can for 2017, please note; that there is the possibility that a change may come into effect in 2017, depending on contextual factors and student enrolments.
**Report Cards**

Report Cards will be sent home next week. Students in Prep – Year 5 will receive their Report Cards on Wednesday 7th of December, and due to their end of year excursion at Wet and Wild, students in year 6 will receive their Report Cards on Thursday 8th of December,

Here is a reminder of how to understand the rating given for your child’s Report Card. If you have any questions or concerns, please do not hesitate to contact either myself or your child’s class teacher.

Report Card results are based on the content descriptors and year level Achievement Standards from the Australian Curriculum. For further information on the Australian Curriculum standards visit the online curriculum at [http://www.australiancurriculum.edu.au/](http://www.australiancurriculum.edu.au/)

Over recent years, parents, students and teachers across Queensland have become more familiar with a 5-point scale (e.g. A-E) process for reporting in all schools. The new system schools are using refers to attainment standards called “benchmarks of achievement” or “criteria.” So what makes an “A”, “B”, “C” etc. is predetermined by a scale of achievement and by making an overall on balance judgement of what a student can do independently at their year level. Any student, who shows evidence of meeting a particular level, deserves that benchmark grade. This is what you could consider the new difference for a “C” really means: A ‘C’ means this is where the students should be at in accordance with their year level Achievement Standards. This also means it can be harder to obtain an ‘A’ or a ‘B’ rating. Receiving an ‘A’ or a ‘B’ does not just go to the top students in each class. Any student who obtains an ‘A’ or a ‘B’ is deemed to be working beyond their year level descriptors in a variety of contexts independently. What is really important is to look at the effort your child has put in. Not everyone may be outstanding in all areas of academia, but what is important is that children try their best; hence the effort put in is always important.

**School Review Executive Summary Feedback**

As mentioned in our previous Newsletter, the School Review team made recommendations that across the next four years, the following improvement strategies be implemented and embedded at our school:

- Collaboratively develop, document and implement a clear strategic vision for the future improvement of the school.
- Provide PD to support teachers in the understanding of inclusive practices, encompassing a whole-school differentiation framework, to enhance teaching practice.
- Collaboratively review the pedagogical framework so that it reflects current practice.
- Develop a stronger, collegial culture by providing formal and consistent opportunities for staff members to plan, share, celebrate and learn from each other’s practices.
- Collaboratively develop a whole-school, collegial observation and feedback process to develop consistency of expectations and practice in the pedagogical ways of working.

If you have any feedback you would like to provide in relation to these improvement strategies and/or any ideas you would like to put forward, particularly around creating the future strategic vision of our school, I would love to hear from you. Feel free to call, email, or pop in and share your thoughts and ideas.

**Awards Evening**

This Friday evening is our Awards evening. Please come along and join in on our annual celebration. We look forward to watching students perform their end of year dances and acknowledging our students achievements. Teachers have met and discussed students’ progress and outcomes over this last 12months. Teachers have considered data and criteria carefully to award an academic, behaviour and most improved award for a student in each year level.

In year six, one student will be awarded the Sportsperson of the year award, a Citizenship award, and the announcement and presentation of the Dux award will also take place. We will also be acknowledging and farewelling all of our year six students on this evening, as well as announcing our 2017 School Captains and Sports Captains.

The P & C will be serving roast meat and gravy rolls, and drinks between 5pm and 6pm. Notes were sent home regarding pre-ordering food for the evening. If you haven’t ordered, it is not too late, you can still order tomorrow. Money for food does not need to be paid until on the evening! We also look forward to hearing from Annie Gamlen, our P & C President on Friday evening too. Thank you to the P & C in advance for all their efforts.

This year we have managed to organise a stage for students to dance on, which they are very excited about. We have taken on board feedback from last year’s event, and also made some changes to the structure of events. We hope that we see as many families as possible on Friday evening and hope that it is an enjoyable evening for all.

The following events schedule is an outline of how the evening will proceed with approximate times for each item. A program will be sent home with the eldest sibling in each family by the end of the week.

Reminder - Updating Information

Just a reminder regarding updating your family information – contact details and medical information

If you have any information that may have changed, including your address, phone or email, or emergency contact details, could you please inform the Office so that we can make this change in our system.

Medical Information

If your child has any medical condition, including medication that needs to be administered, could you please ensure that we have this important information. It is a Department of Education and Training requirement that all medication is in the original packaging and contains the child’s name and dosage, which must be stored at the office for a staff member to administer. A letter from your child’s doctor is also required for staff to be able to administer medication indicating the medication and dosage required. If your child has a medical condition, such as, but not limited to Anaphylaxis, Epilepsy, and Asthma etc…. it is a departmental requirement that we have a medical management plan that supports the management of your child’s condition. This plan needs to include the name of the doctor and his/her signature, along with details of the medication that is required to be administered. From time to time information may change, and in order to ensure that we are providing the best care for your child, we would appreciate you updating all of this important information, so that we can work together to support your child the best we can. A visit to the doctors before school recommences in 2017, may also be a good time to get information updated.

Graduation

Last Wednesday evening, we officially farewelled our year six students. The Graduation was held at the Ipswich Turf Club. Special thanks to the Ipswich Turf Club for doing such a sensational job in hosting our students, their families and staff. A special thank you also to Miss Paull for organising this event. It was a wonderful evening and all of the students not only looked amazing, but had a superb time. I would like to take this opportunity to thank all of our year six students and their families for their wonderful contributions to our school. We wish all of our graduating students the very best of luck for the next chapter in their lives. To our graduating class of 2016, remember, to never give up on your hopes and dreams, and ‘If you can dream it, you can do it’ (Walt Disney).
Prep Transition program and 2017 enrolments
Our final Prep transition day is on this Wednesday, the 30th of November. I would like to extend a special thank you to all the families who have come along with their children to support this program, and a very big thank you to Good Start Early Learning Centre staff, and to our staff who have supported this transition program. Our future preppies have been involved in a variety of hands on activities, from engaging in early literacy and numeracy activities, to completing an obstacle course, the children are certainly on their way to being well prepared for Prep in 2017. Here is a snapshot of last week’s Prep Transition day.

We look forward to seeing you all in 2017 😊

Swimming
This Friday is our final day for swimming. Thank you to McMahons Swimming Centre staff for supporting our students and to our staff who have accompanied the students to attend swimming every week.
Interschool Sport
Special thank you to the Fassifern Cluster for inviting our school to be involved in Interschool Netball and Soccer. The students thoroughly enjoyed playing a few rounds of sport against students from other schools. Thank you to our students for demonstrating such great sportsmanship skills, and to all of our wonderful parents who transported students each week. Without your support this would not have been possible, so thank you.

Final 2016 Assembly and Volunteer Morning Tea
Please come along to our final assembly next Monday the 5th of December at 9.15am to share in the success of our students. We will then be hosting a Morning Tea to say thank you to all of our parent helpers who have assisted in classrooms, at the Tuckshop, with Interschool Sport etc. Staff have been asked to provide the names of parents and carers who have helped throughout the year, and we look forward to acknowledging you at our final assembly next Monday.

Lost Property and Last Day of School – 9/12/16
We have a large box of Lost Property located at the front of the Tuckshop. Could you please encourage your child to check the lost property box for any missing items before the end of next of week. On Friday the 9th December, the last day of school, children may come dressed in old clothes for clean-up day. The last day of school is the one official day in the school calendar year, where sorting and cleaning out of classroom and school items takes place. If your child is coming to school on this day, they need to be prepared to pitch in and give a hand.

Sun Safety
As the weather is heating up, it is timely to remind students of the importance of keeping sun safe at school and outside of school hours. Could you please encourage the key message of: SLIP (on a sun safe shirt), SLOP (on some sunscreen), SLAP (on a hat), SLIDE (down some water), and SEEK (some shade).

Visitors
Just a reminder that all visitors, spending time at the school to assist with any school based activity, must sign in and out using the Visitors Book kept at the Office. This is an Education Queensland requirement to ascertain who is on the school premises at all times. Your assistance with this is greatly appreciated.

School Grounds and School Watch
Just a reminder, that unless prior permission has been sought, nobody should be entering the school grounds outside of school hours. Anybody entering the school grounds outside the normal scheduled school hours is risking being prosecuted for trespassing. If you see anything, or anybody acting suspiciously outside of normal school hours, please contact School Watch on: 131 788; or Policelink on: 131 444. Alternatively, in the event of an emergency, contact 000.

Feedback
If you ever have any feedback you would like to provide, or any ideas or suggestions for our school, I would love to hear from you. I have an open door policy, so please don’t hesitate to contact me.

Thank you once again for being such an awesome school community.
Stay safe over the holiday season and remember to look out for one another.
See you in 2017,

Kind Regards,

Jennifer Fenwick
(Acting Principal Peak Crossing State School)

TUCKSHOP

Thank you to all the Volunteers this year for your help, without you we couldn't run the Tuckshop.

The Tuckshop will be up and running again next year, so please keep an eye out for a notice and if you are able to volunteer next year please do so.

Hope everyone has safe and happy holidays, Bel 😊

Thank you to everyone who has supported the P&C this year and we look forward to seeing you all again next year.
Have a safe and happy holiday

FUNDRAISING

5c Challenge

The 5c Challenge was a huge success with an amount of $990.40 raised. We would just like to thank all the families who generously donated their 5c coins and to the students who raided their piggy banks. The winning classes were year 5 Mrs McMahon and year 3 Miss Dianne. They will have their pizza and ice-cream party on Thursday. Some families have also donated Zooper Doopers for the rest of the school for their efforts.
Family Photos
Thank you to the families who participated in the family photos on Saturday. We have had positive feedback from parents who were impressed with the Deez Beez Photography. Looking forward to seeing some happy family photos. A big thank you to Sue Muller for organizing this for our school.

Food for Awards Night
The P and C will be serving food between 5 and 6pm on Friday. A note went home last Thursday with food preference. If you have not already handed form in please message Kathy Stumer 0417 716 032 by Wednesday 30th as food has to be ordered. Please remember to add other family members who wish to purchase food.
Roast Beef Gravy Rolls $5 and Sausage on Bread $2. Please indicate if Gluten Free Bread is required. Soft Drinks and Poppers will also be available.
Please DO NOT send money in, payment on the night only.
If anyone could help volunteer with serving it would be greatly appreciated.

Tennis Coaching 2017
Tennis coaching has finished for 2016. Thank you to all students who participated throughout the year. We hope you have enjoyed your lessons. Tall Gums Sports Centre owner and tennis coach Stuart Ware is happy to be returning to coach at Peak Crossing State School in 2017. Coaching will commence the second Tuesday of first term. If you would like a 2017 coaching registration form or further information about our tennis coaching lessons, please email Kay Ware tallgumssportscentre@bigpond.com.

Tennis Court Hire
Please be advised that if you require hiring the Tennis Court during School Holidays can you please ensure that the keys are returned immediately after use. The cost is $4.00 p/h.

Boonah State High School Enrolment Information - 2017
Please note that for students who are attending Boonah State High School in 2017, enrolment forms were due Friday the 28th of October. All paperwork must be returned before the Transition Day on the 1st of December. Could you please ensure your form is returned to Boonah State High School by the due date. Also attached, is a Uniform price list and order form for Boonah State High School uniforms.

Ivory Rock’s Community Christmas Event
Don’t forget about the Christmas Community event that Ivory Rock’s is hosting on Sunday the 4th of December. Peak Crossing State School students were asked to perform a couple of songs. Notes for expression of interest and permission were sent home by our Music Teacher Lauren Voigt who will be in attendance on this day. Please note however, it is the parents and carers responsibility to transport and supervise their child at this event.

Wishing our Friends and Family a Joyous Holiday filled with Peace, Love, and Prosperity.
Best Wishes for a Healthy New Year!

Merry Christmas

Dear Friends and Neighbours,
My name is David Ritchie and I am the new General Manager at Ivory’s Rock Conventions & Events. It is my sincere pleasure to take this opportunity to introduce myself and to let you know about some of the changes we are making here at Ivory’s Rock.
To me the integral part of our new vision is embracing our broader community and recognising that we all inhabit such a wonderful part of the world. I believe we all need to work together to ensure we keep it beautiful and sustainable into the future.
We have been working very hard to ensure we listen to the input from our wider community and have taken great steps in building an "open door" culture where ALL feel welcome at Ivory’s Rock in an environment too beautiful to describe and in the company of those who genuinely want to help make the world a better place.
Over the years, because of its unique blend of natural beauty, space and modern facilities, Ivory’s Rock has been the venue of choice for a wide range of bookings including sporting events, church camps, music festivals, corporate conferences and business workshops to name a few. The larger events, in particular the peace events, bring enormous financial benefits to the wider region mainly through accommodation, food, casual employment and the engagement of many contractors and suppliers. Local not-for-profit organisations have a standing invitation to raise funds at our community events, and we regularly partner with both Ipswich Council and Scenic Rim Council, as well as several universities and environmental groups.
To this end we have hosted several community open days including a Christmas BBQ last December, World Wildlife Day and World Environment Day and we are planning many more community based events next year. We also abide by a myriad of environmental laws and restrictions to ensure we keep this amazing place just as incredible for future generations.
With that in mind and in line with our openness to welcome you all for a look at our venue, we are holding a Christmas Carnival this year on Sunday December the 4th. More details will be released very shortly and we hope that each and every one of you can make it down for the fun and frivolity. There will be rides and amusements for kids of all ages, water slides, face painting, several live music performances and many more treats including a visit from Santa and a “Royal” surprise! The festivities will conclude with a Christmas Carol sing-a-long, followed by a fantastic fireworks display!
Please feel free to call us on (07) 3077 9668 or email at enquiries@ivorysrock.org.au if you have any questions or suggestions on ways that we can further involve and embrace our community. Your ideas are most welcome!

With Kindest Regards,
David Ritchie
